

MT 26

International Conference on Magnet Technology

Vancouver, Canada | 2019

MT26 SUPPORT & ADVERTISING OPPORTUNITIES

The International Conference on Magnet Technology, MT26, will be held at the **Hyatt Regency Hotel**, downtown Vancouver, Canada, **September 22–27, 2019**.

Supporting MT26 gives you and your organization direct access to hundreds of influential experts and key decision makers in the Magnet Technology industry. It is an excellent way to demonstrate your organization's support of the conference while helping to offset expenses including costs for junior scientists, students and colleagues who could not otherwise afford to attend.

Supporters and Advertisers will be acknowledged as follows: Company name, logo and web link will appear on the MT26 website, in conference related informational emails, on appropriate signage displayed during the conference, on pre-plenary session looping slide, ribbons on name badges, and in the conference transactions (selected peer reviewed papers will be published in a special issue of the IEEE TRANSACTIONS ON APPLIED SUPERCONDUCTIVITY, *tentative publication date: June 2020*).

The support levels below reflect the minimum contributions however, you are most welcome to increase the amount. Please contact Centennial Conferences if you are interested in providing support other than listed below.

Support MT26 and be recognized as an Industry Leader!

EXCLUSIVE SUPPORTER OPPORTUNITIES

MT26 recognizes that a thriving international network of professional communication is critical to ensuring rapid advancement in magnet technology. Toward this end, MT26 welcomes the opportunity to cooperate with other technical societies and organizations in co-support or endorsements of special sessions.

Plenary Sessions

\$3,500 + (one exclusive supporter per plenary)

Each supported Plenary Session will contain the name of the supporter as part of the session title. The supporter's name, logo and web link will also be projected on the screen at the beginning of each plenary session and verbal acknowledgment will be given by the session moderator.

CO-SUPPORTER OPPORTUNITIES

General Support

\$1,300

Your unrestricted contribution will provide critical general conference support for organizing and implementing MT26, including logistics and scientist and student support.

Scientist & Student Support**\$1,300**

This important sponsorship provides support for scientists and students who could not otherwise afford to attend. The funds will not be used for food and beverage.

Young Scientist Plenary Session**\$2,500**

The Young Scientist Plenary session is one of the most prestigious opportunities offered to younger scientists and is an event that is highly anticipated by all attending who are interested in the future generations' direction in magnet technology. The young scientists, who are selected among recommendations made by the Program Committee, have demonstrated outstanding, significant potential in the field of magnet technology and have gained the recognition and interest of other scientists in the community.

Special Sessions (non-plenary)**\$2,000 +** (one exclusive supporter per session)

Some Special Sessions will be formed to serve as major highlights of the conference in keeping with interests of the magnet technology community. Memorial Sessions will also be designated, whereby an oral session has been thematically structured to honor the contributions of a departed colleague. Each supported session will contain the name of the supporter in the session title. The supporter(s) name, logo and web link will also be projected on the screen at the beginning of the session, and verbal acknowledgment will be given by the session moderator.
